Improving the Hot Springs.

Mr. F. W. Lafrance informed a HERALD reporter last evening that about Thursday of this week forty men will be put to work in repairing the track of the Ogden & Hot Springs railway. About three inches of gravel will be put on the road bed. When done this will make a road that no one will be ashamed to ride on. No motor trucks will be run until the track is in perfect shape, which will be perhaps over two weeks.

Mr. Paxton, the new owner of the springs, will expend considerable money yet this fall in improving the hotel and other buildings. New bathing pools are to be erected at once to make the accommodations more satisfactory than they are at present. Next spring a mammoth bath house will be built. New ice houses are to be erected before the cold weather comes on.

The Forty Ball.

A poverty masked ball will be held in the Boyle block to-night. Those attending are expected to appear in the worst garb of rags that they can obtain. The proceeds will go to the Women's Relief Corps, to be used for charitable purposes. The most "poverty stricken" gentleman and lady is each to receive a prize.
